sought by the plasterers' union would ingrease the cost of small dwelling houses and that the small home owners would near the burden of the cost. The bill provides for three coats of plaster and work of a high standard.

Mr. Parsons said that the regulations are unnecessary except in the highest class of buildings, and that some features of the proposed law would be impossible to observe to the letter. He said that if the law should be enacted it would cause constant trouble and would prevent any one from making a contract as to the class of plaster required in a house. After hearing him the bill was recommitted to the subcommittee.

APPROVES THE DISMISSAL

OF MIDSHIPMAN MCCLURE

as by. Bauch, according to his sister. Mrs. J. M. Patterson, was born in New Interior, and was a mere baby when his father, Wi harn Bauch, left the city twenty-five years ago and went to Eagle Pass. Tex. The father is now a resident of Piedras Negras, across the Rio Grande from Eagle Pass.

Senor Ramon, chief of the rebel secret service, conducted the American consulant two reporters into the dilapidated and gloomy cuarted where a company of soldiers is quartered.

The visitors were led into a dark angle of the building, where they were cautioned that the prisoner was incommunicade. Then from somewhere out of the deeper darkness beyond, like a rat from its hole, the prisoner appeared.

His rought was a perfect picture of fright until he saw that his visitors included Americans. Till then he had no way of knowing that he was not being brought out to be executed.
